

Bunting Decoration

Instructions:

1. Get some scissors, ribbon and glue or staples.
2. Print as many pages as you'd like depending on the size and space where you are hosting your Purple Picnic.
3. Cut out the bunting using the purple dotted line as a guide.
4. Lay out the triangles evenly along your string – leaving space between each one and at both ends, for attaching and tying up your bunting.
5. Fold each triangle at the top along the purple dotted lines and fold them over the string. Then use glue or staples to attach.
6. Decorate your Alannah & Madeline Day Purple Picnic!
