

MR BEARY

finds a friend! ♥

Are you ready to help Mr Beary on his adventure to find his new best friend, Millie?

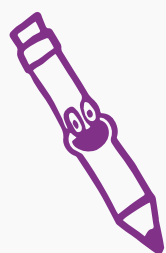

Millie had to go to a new home because her old one wasn't safe. She didn't have anything from home, so she was given a Buddy Bag.

Her Buddy Bag was full of exciting things, like soft PJs, a book, and best of all... Mr Beary!

As Mr Beary finds his way to Millie, you'll read his story, help solve puzzles, play games, and colour his world!

This special book is made just for you to
imagine, create, and explore with Mr Beary.

Grab your pencils and
let's help Mr Beary find
his new best friend!

A scared little bear without a name,
wanted a friend who felt the same.

The bear's little home was a cosy cubby
- a cheerful bag for a fearful buddy.

There were all sorts of good things inside,
but not a friend that he could find.

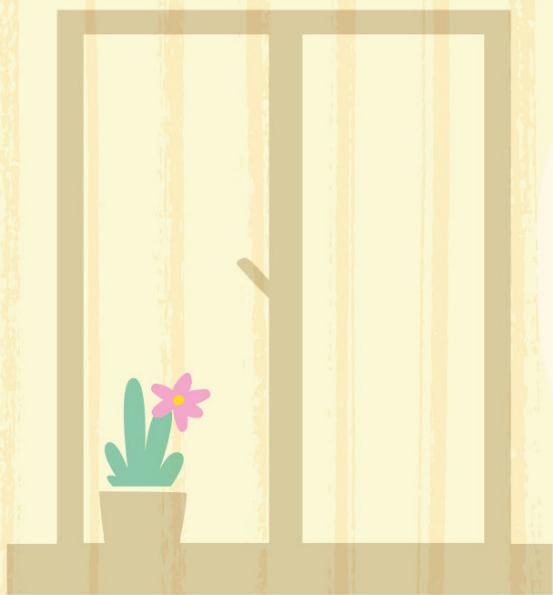

Millie's home was an unhappy place.
She was given a new one, where she'd be safe.

But when she arrived, she wasn't sure.
She'd come with nothing but the clothes she wore.

She'd have said, **"Take me home!"** if she'd had
her choice. But she was too afraid; she had no voice.

Then one day, the bear poked out his head
and found himself on a soft new bed.

Right there where Millie sat and cried,
was the cheerful bag with the bear inside.

Millie saw the bear – a new friend to adore!

“I’ve never had a teddy bear before.”

But she scooped him up, no longer wary.

“I shall call you Mr Beary”

So now the bear had a brand-new name
And a brand-new friend and a brand-new game.

No more tears; they laughed and smiled
as they took the bag to see inside.

A day of sadness was made a bit more fun...
as they counted new things one by one.

A book!

A new toy!
What a prize.

Fresh pyjamas,
just my size!

As Millie smiled,
Mr Beary swelled with pride.

What a wonderful thing is a bag
with a bear inside. ♥
